### Interval training, simplified

Get the most out of every interval with easy-to-use controls designed for quick changes in intensity. Simply hold down the Interval 1 or Interval 2 key to save your preferred speed and incline settings for HIIT workouts. When pressed, the Interval Timer automatically resets to zero, helping you track shorter workout segments while giving your all.

#### FeatherLight Folding

Get the sturdiness of a traditional treadmill with the convenience of a folding frame thanks to our effortless hydraulic folding system that facilitates easy storage between workouts.

#### Variable Response Cushioning

Just like a running shoe, a treadmill with our unique three-zone cushioning system gives you the ideal amount of flex and support in all phases of your stride.
