TREADMILLS

JOHNSON EXCLUSIVE TECHNOLOGY

At Johnson Health Tech, we invest in technology that completely redefines the exercise experience, helping you reach your fitness goals in smarter, easier and more enjoyable ways. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

FeatherLight™ Folding

Get the sturdiness of a traditional treadmill with the convenience of a folding frame thanks to our effortless hydraulic folding system that facilitates easy storage between workouts.

Variable Response™ Cushioning

Just like a running shoe, a treadmill with our unique three-zone cushioning system gives you the ideal amount of flex and support in all phases of your stride.

ViaFit™ Connectivity (Adventure 3)

The integrated ViaFit connectivity system sends your home workouts to the fitness apps and tools you already use and shares them with your favorite social networks. ViaFit will also manage your software updates, and we'll never charge you for an update.

Johnson Drive™ System (Adventure 3)

Maintain your rhythm with the responsive digital drive system that continuously recalibrates with each footfall. Plus, you can use your treadmill in any room of the house because the motor always runs at low RPMs, which minimizes noise and enhances durability.

Passport™ Ready (Adventure 3)

Passport compatibility makes it easy to experience the global HD destination footage of our immersive Virtual Active program on your big screen. Passport Player is sold separately.
